Stepup Solutions, Pune.

ABOUT YASHODA POLYTECHNIC

Yashoda Institutes, established in 2011, is a premier technical education hub affiliated with the Maharashtra State Board of Technical Education (MSBTE), holding a "Very Good" grade for its academic excellence. The institute offers six diploma courses in Civil Engineering, Mechanical Engineering, Electrical Engineering, Artificial Intelligence, Information Technology, and Computer Engineering. Among these, the Civil, Mechanical, and Electrical Engineering programs have received NBA accreditation for three years, reflecting the institute's commitment to quality education and industry standards. With a vision to provide advanced technical education and foster innovation. The institute is equipped with state-of-the-art laboratories, experienced faculty, and a robust industry connect to enhance practical learning. It actively promotes research, skill development, and entrepreneurship through various training programs and collaborations. Yashoda Institutes strive to nurture competent professionals who can contribute effectively to the ever-evolving technological landscape

ABOUT COMPUTER ENGINEERING DEPARTMENT

The Department of computer Engineering established in the year of 2022.
The Department conducts Diploma Program in computer Engineering. At Present Intake is 90 which is affiliated to Maharashtra State Board of Technical Education (MSBTE), holding a "Very Good" grade for its academic excellence.
The Department has well-qualified and dedicated staff and are known for its high academic standards, well-maintained disciplined with complete Infrastructure facilities.

ABOUT INFORMATION TECHNOLOGY DEPARTMENT

The Department of Information Technology was established in the year of 2023.

The Department conducts Diploma program in Information Technology The Department has well qualified and dedicated staff & and are known for its high-academic standards, well-maintained disciplined with complete Infrastructure facilities.

ABOUT ARTIFICIAL INTELLIGENCE & MACHINE LEARNING DEPARTMENT

The Department of Artificial Intelligence & Machine Learning was established in the year of 2023.
The Department conducts Diploma Program in Artificial Intelligence & Machine Learning. At present Intake is 60 which is affiliated to Maharashtra State Board of Technical Education (MSBTE), holding a "Very Good" grade for its academic excellence.
The Department has well qualified and dedicated staff and are known for its high-academic standards, well-maintained disciplined with complete Infrastructure facilities.

ABOUT FDP

This FDP introduces faculty to AI and ML–based tools that enhance teaching, assessment, and student engagement. It focuses on practical applications such as intelligent content creation, automated evaluation, and personalized learning. The program helps educators create smarter, industry-aligned technical classrooms.
Free for all Faculty Members & Research Scholar

COURSE CONTENTS

- Introduction to AI & ML in Education
- AI-Powered Teaching & Content Creation Tools
- Intelligent Assessment & Evaluation Systems
- Personalized & Adaptive Learning Platforms
- Virtual Labs, Code Assistants & Future Classroom Trends

OBJECTIVES OF FDP

- To familiarize faculty with AI & ML concepts and their applications in technical education.
- To enable educators to use AI-powered tools for effective teaching, content creation, and assessment.
- To promote personalized and data-driven learning strategies in classrooms.
- To enhance faculty capability in designing innovative, technology-enabled learning environments.
- To prepare educators for integrating industry-relevant AI tools into academic practices.

WHO CAN ATTEND

The faculty members from AICTE approved Government/Government Aided/Unaided Engineering, Polytechnic, Research Scholars.

IMPORTANT DATES

Last Date of Registration:
16/02/2026 upto 05.00 pm
Commencement of Programme:
17/02/2026, at 10.00 AM
