INDUCTION PROGRAM 2024

Faculty of Polytechnic organized the Induction Program 'Arambha' 2024 for the newly admitted students of First and Direct Second Year in Diploma Engineering at Yashoda Technical Campus, Satara.

Dr. Dinkar Patil, a former Director of Education, Maharashtra State, was present as the chief guest and guide in this program. While addressing as a chief guest, he expressed his satisfaction with the educational facilities at Yashoda Technical Campus. Speaking on the occasion, he further said that along with parents and teachers, educational institutions play a very important role in the development of students.

The President of the program, Prof. Dasharath Sagare guided the students on the key to a successful life and the mantra of success in engineering.

Few parents expressed their views on the said programs and facilities of the institute where they feel proud to be their students admitted. Students who have gone through the centralized admission process shared

their views about the admission process and why they have chosen YTC, Satara. Students with excellent marks in their 10th standard were also felicitated in the event.

On this occasion the Director of Yashoda Technical Campus Dr. V. K. Redasani, Principal Prof. P. P. Gavade, Faculty of Polytechnic, Technical Campus Associate Director Prof. R. D. Mohite were also present at the event and guided the students. The event was ended with the vote of thanks by the Prof. R. S. Khandekar.

INDUCTION PROGRAM

TEACHERS DAY CELEBRATION

Teachers Day Celebration

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized a "Teachers Day", on 05/09/2024 at the Yellow Seminar Hall. YTC, Satara.

The event was celebrated on the remembrance of birthday of Dr. Sarvepalli Radhakrishnan, a great teacher, scholar, and the second President of India.

The event started by a prayer by the students for the teachers and Saraswati Poojan. Students felicitated all the teachers and shared their views on teachers' day. Students presented their speeches, skits, poems, and other creative performances to show their appreciation for their teachers. Moreover, enthusiastic students delivered a lecture to other students and showcased their teaching ability too.

Students decorated the college campus to show their appreciation for their teachers. Teachers are given gifts as a token of gratitude for their hard work. Later, few teachers expressed their view on Teachers Day.

On this occasion, all head of departments were present along with the faculties and 1st year students. Eventually, the event was ended with the vote of thanks by Ms. Rananavare R. S.

14th September 2024

ENGINEERS DAY: MODEL PRESENTATIONS

Prize Distribution to the winner

Model Presentation

On the occasion of Engineers Day, the Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara celebrated "Engineers Day" on 14/09/2024. Department honoured the contributions of engineers to national development and recognized the legacy of Sir Mokshagundam Visvesvaraya.

Principal Prof. P. P. Gavade, faculty of Polytechnic), event Judge Dr. N. M. Jamadar (HOD, Electrical Engineering), Prof. R. S. Khandekar (HOD, General Science), all teaching staff and students were present during the event.

At the start, all the dignitaries were welcomed by the department and then students were addressed by the principal, urging them to be confident in their missions and to refine their skills to meet global industrial demands. Event Judge Dr. N. M. Jamadar, emphasized that career planning is an ongoing process for engineers, and students must remain technically strong. Prof.R.S. Khandekar, played a crucial role in encouraging student participation in model presentations. The event was coordinated by Prof. Dhumal P. P. and Prof. Sakunde A. S.

Students showcased their talents through impressive model presentations, with those delivering exceptional performances receiving attractive prizes. Participants demonstrated and elaborated their models and defended questions asked by judge. At the end, winners were declared and the event were ended with the vote of thanks by Prof. R. V. Bhosale.

SKILL DEVELOPMENT PROGRAM

Felicitation of Guest by the Principal

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized Skill Development Program, on 25/09/2024 at the Mechanical Seminar Hall, YTC, Satara.

In this program Mr. Binish Kumar, State head of Maharashtra & Goa, All Society for Electronic & Computer Technology (AISECT), Bhopal. Mr. Amit State Placement Coordinator, (AISECT), Mr. Vitthal Rathod, Business Development Executive (AISECT) & Mr. Rakesh Kamble, Consultant member, Yashoda Shikshan Prasarak Mandal, Satara and Principal Prof. P. P. Gavade (Faculty of Polytechnic), Prof. R. S. Khandekar (HOD. General Science and Humanities), and all teaching staff and students were present during the event.

Mr. Binish Kumar sir addressed the students, to acquire multi skills so that they can get employment and improve entrepreneurship. Skill development can help people get jobs, stay in jobs, and get better jobs. People with skills are more competitive in the job market and can attract potential employers speaking as deemed as Skill Maharashtra's flagship skill development scheme. Its objective is to enable youth to take up training to secure a better livelihood.

Principal Prof. P. P. Gavade sir guided the students, urging them to be confident in their missions and to refine their skills to meet global industrial demands. Eventually, the event was ended with the vote of thanks by the Prof. Basugade R. H.

CLEANLINESS CAMPAIGN PROGRAM

Awareness Swachh Bharat Mission

Department of General Science and Humanities, Faculty of Polytechnic, YTC, Satara organized cleanliness campaign program, on 02/10/2024 on the eve of "Mahatma Gandhi Jayanti".

In this program event judge Prof. Dr. Rohane Sir, from Yashoda Technical Campus Satara and Principal Prof. P. P. Gavade (Faculty of Polytechnic), Prof. R. S. Khandekar (HOD General Science and Humanities), and all teaching staff and students were present during the event.

Swachh Bharat Abhiyan is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propogated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for integrated waste management to make zero waste, dust free, plastic free and green.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Its responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surrounding clean. Thus, the first-year diploma students have initiated one steps towards- cleanliness.

Ajinkya Yuva Vakta

Inauguration Of Program

Yashoda Technical Campus Satara organized Speech Competition on the occasion of birthday of Ajinkya Sagre sir (vice president YTC Satara). Competition held on 18 Nov 2024 for the students of all branches from Diploma Engineering at Yashoda Technical Campus, Satara.

Mrs. Dr. Sarita Balshetwar and Mrs. Chorge Mam are the judges of speech competition. The moto of competition to encourage the students skills. Our Vice President has worked exactly for leading with integrity, humility, and commitment to the betterment of our society. His work in Satara has touched every corner, from improving local infrastructure to empowering youth. His leadership is a reminder that true leaders are not just those who hold power, but those who serve with compassion, responsibility, and dedication.

In this competition Vaishnavi More from Computer department got first rank, and Anushka Gaikwad from Artificial Intelligence & Machine Learning department got third rank. In this program all respected guests , respected HOD and all teaching and non-teaching staff also present for felicitation of ranker students.
