VISION OF THE INSTITUTE:

To be the recognized and the best rural based engineering college among the institutes in Maharashtra for the excellence in technical education which contributes to the needs of society and to inculcate value based education.

MISSION OF THE INSTITUTE:

M1- To create opportunity for rural students with capable clever engineers and technocrats through continual excellence in engineering education.

M2-To create self-disciplined, skilled, physically and mentally fit and robust, ethically and morally powerful engineers and technocrats with the higher degree of integrity who are responsible and capable to meet the challenges of advance technology of present and future scenario for the welfare of mankind and nature.

M3-Promote an educational environment that integrates an excellent academic discipline and research culture to stimulate the overall technical and social growth of young engineering graduates.

M4-Enhance career opportunities for students through Industry-Institute-Interaction and value added courses training and skill development.

M5-Inculcate entrepreneurship mindset in students to enable them job creators
