VISION OF THE DEPARTMENT**Vision of Program**

To empower the students' abilities of academic, technical and professional competence in the field of Electrical Engineering and to nurture them in the developing areas to help the society.

Mission of Program

M1: To provide adequate knowledge in the field of Electrical Engineering to take the real time Challenges with professional skills.

M2: To improve continuous learning skills to meet employability objectives.

M3: To communicate strong ethical qualities between students for helping the society
